Date: 09/20/20

Location: Zoom

- iv. Academic chairs getting started this week on the XRC study group
 - i. Dana (Slivka)
 - i. Wildcat Wellness/Welcome was great! We had some well-attended events every day and newcomers were engaged :)
 - 1. We brought back Terrible DTC as our cornerstone event, featuring Karen Chou and Wes Burghardt. Problems included "help I keep receiving important emails at 6:30 p.m. on Fridays" and also "help what is the meaning of life"
 - ii. Events are going very well - reasonably high attendance for new Slivkans, very solid for returners
 - 1. We're taking points and running committees (and we're allowing people to join multiple committees)
 - 2. No points cap we die like over-committed college students
 - 3. We did a when2meet "heat map" to see when people were most free
 - iii. Exec stuff is maybe less "going very well" - non-res concerns
 - 1. How do y'all approve/deny non-reses? Do you have a protocol, especially for denying people?
 - j. Maryarita (Willard)
 - i. Great attendance at Wildcat Welcome!
 - ii. Scheduled our fall meetings but we have a *lot* of availability issues and thus will have to coordinate a lot asynchronously as well.
 - iii. We've had points going normally as of right now but when we get our Central going we hope to make that a better way for students with heavy schedules or different time zones to get involved.
5. Discussion
- a. NU SOLR
 - i. Passed! RCB will sign the petition with SOLR
 - b. Gather.town

End Time: 5:30pm (Central)
