  - a. Maria (VP of Social Affairs)
    - i. Thank you for all your hard work ticket selling! I'm very happy with the tickets we sold, and if you have any questions, feel free to reach out to me!
    - ii. We will be distributing tickets today. You must find a time to give them to your residents. If I miscounted (which is very likely), please let me know!
      1. RCB Exec board members have already received their tickets, so you don't have to hunt them down!
      2. I went through and calculated costs and net costs of formal to each RC (if you had the spreadsheet filled out). Again, if you have any questions, please let me know.
    - iii. On Friday, I ask that you all are responsible for your residents. If one of your residents appears intoxicated in any way, please let one of the chaperones (RMs) know. In addition, I expect you to be a liason with your residents to help things go smoothly.
    - iv. We will be sending out a logistics email shortly, and I expect all of you to read it thoroughly! Again, if you have any questions, do not hesitate to ask!
    - v. Thank you all for your help and cooperation with this event. The biggest shout-out ever to my rock, Eleanor— you are a queen!!!

Date: 11/9/19  
Location: Chapin

1. In the wake of the incidents surrounding Jeff Sessions presence on campus, ASG has moved to expand counseling, legal education, and increase academic flexibility in the wake of events that may elicit feelings of exclusion/trauma. Highlighted understaffed CARE.
  2. Support was 22-2-2 in favor. The major criticism was that the Resolution was poorly/improperly written, and that it specifically highlighted Jeff Sessions (College Repub.)
    - a. Writing does specifically highlight Jeff Sessions and his statements, but the supporting speech also specifically highlighted that the legislation was intended to apply to College Republicans who may feel excluded/alienated because of the reaction to Session's speech.

- h. Eleanor (President)
- i. Wristbands to pass out at the end of the meeting (do not leave without picking these up) - these are your "tickets" for formal. I would recommend passing them out to your residents later next week so they don't have as much time to lose them
