1. There's still capture the flag... but where...
  2. Bowling like Jason did last year (if Shannon isn't doing) but would have to be worked out better
  3. I had also thought of ice skating but do we want ice skating and roller skating? (~25 minute bus to Robert Crown, if they're even open right now while renovating.)
  4. Snow is somewhat unreliable but otherwise a snowball fight/snowman building competition etc. would be awesome and possibly my preferred option
    - a. Snowman building contest- could do remotely
    - b. Snowball fight
- g. Peter (President)
- i. Artfest--Helicon can provide up to \$200. Will need to start advertising for art soon and look into rooms

- h. Nancy (Advisor)
- i. Reminder to Joseph - please check the Norris website for the RSO Agreement contract form and W-9 to prepare and submit for NU review/approval. Plan to send it to me -then I forward through RS. I know you're still finalizing the date/time/campus venue and proposed spkr fee.
  - ii. Question to Charlotte - did phil/com chairs receive the MLK day of service info? Any sense of their reaction/interest?
